

GDPR Self-Attestation

MarketSizer (Tamcalc Limited) · 6 July 2026

MarketSizer is operated by Tamcalc Limited, an Irish private company limited by shares incorporated under the Companies Act 2014 (CRO No. 738699, D-U-N-S 986144356). We are established in Ireland and our services are governed by Irish law. Our primary supervisory authority for data protection is the Irish Data Protection Commission.

MarketSizer has implemented policies and controls designed to comply with the EU General Data Protection Regulation (Regulation (EU) 2016/679), the Irish Data Protection Act 2018, and, where applicable, the UK GDPR. In support of this attestation, we maintain the following (items marked * are available to customers on request):

- A signable **Data Processing Agreement** setting out our Article 28 processor obligations, subprocessor list, and international-transfer safeguards (EU SCCs / UK IDTA).
- A published **Subprocessor List**.
- * **Records of Processing Activities** under Article 30 (a public summary is available on our Trust Centre).
- * A **Legitimate Interests Assessment** for our processing of business-contact data, on which we rely under Article 6(1)(f).
- * Documented **Technical and Organisational Measures** meeting Article 32, including tenant isolation, encryption, secrets management, and change control (a summary is published on our Trust Centre).
- Documented **Data Subject Request** and **Personal Data Breach** procedures, including notification to affected controllers within 48 hours and to the Irish Data Protection Commission within 72 hours where applicable.

MarketSizer processes **no special categories of personal data** and applies **data minimisation** and a **90-day retention limit** to enriched business-contact data, after which personal fields are automatically anonymised.

MarketSizer is preparing for a SOC 2 Type II examination and will make the report available under NDA on completion. This attestation is provided in good faith based on our internal review as at the date above, and is governed by Irish law.
